

The motion was favored by Messrs. Sulzer of New York, Powers of Missouri and Hill of Connecticut and opposed by Mr. Cannon. It was lost—23 to 108.

A motion by Mr. Burton of Ohio to con-

cur with the amendment in the appropriation of \$100,000 for the Ohio river between Cairo and Mound City was adopted. The bill was then sent back to conference. The senate-bill to provide for the organization of private corporations in Alaska was passed, as was the bill to "aiiot the lands of the Cherokee nation and for the disposition of the same to the United States." Mr. Cooch of Wisconsin, chairman of the committee on insular affairs, presented the conference report on the Philippine bill.

After considerable talk the conference report was adopted, amid cheers on the republican side, 165 to 32.

At 5:30 the senate say vote except Mr. McCall of Massachusetts voted with the democrats.

At 5:35 the house took a recess until 8 p. m.

How Charleston Men Won.

When the house reconvened at 8 o'clock

the report on the contested election case of Wilson against Lassiter from the Fourth Virginia district, which confirms Mr. Lassiter's title to the seat, was presented under the special order adopted on Saturday the house then entered on the consideration of the Dick bill to reorganize the militia of the several states.

Mr. Cannon then presented the conference report on the general deficiency appropriation bill. It was a complete agreement Mr. Cannon explained.

At 11 o'clock the house adjourned until 10 o'clock tomorrow morning.

During the evening session of the house Representative Charles C. New York, the floor leader of the majority, introduced a resolution for a sine die adjournment on July 1. The hour was left blank and Mr. Payne explained that the hour would not be determined by the ways and means committee, to whom the resolution was referred until the senate had acted on the conference report on the Philippine bill.

Views on Ambition and Dyspepsia.

"Dyspepsia," wrote Eugene Field, "often incapacitates a man for endeavor and sometimes it extinguishes the fire of ambition." Field was a dyspeptic himself. Though a great man despite this handicap he felt the blighting effect of the disease all his life. Thousands share similarly.

A weak, tired or diseased stomach can't perform the process of digestion. It needs rest. If forced to work it will be constantly sick. As it gets rest it will soon grow strong again. Such a preparation as Kodol Dyspepsia Cure will give it just such a rest. Kodol Dyspepsia Cure does the stomach's work. It digests what you eat. Don't diet. Dieting is neither more nor less than partial starvation. Starvation never benefited anyone. If

not suffer the punishment of the other children for neglecting to get rid of dyspepsia. Equally good for children.

"I consider Kodol Dyspepsia Cure the superior of any preparation for the prevention and cure of dyspepsia," writes Mrs. Geo. C. Leggett, Anie, Brainerd City, Va. "About three years ago I suffered spells of the most excruciating misery. I tried many remedies but failed. I then bought a bottle of Kodol Dyspepsia Cure. I have not had an attack since. I have since bought several more, a spell, a bottle of Kodol Dyspepsia Cure sells me right."
